**ORDER**

The matter before the court is Petitioner's unopposed motion, filed March 23, 2020 (ECF no. 98), for extension of time on the deadline for filing Petitioner's second amended petition. In an Order issued December 20, 2019 (ECF no. 93), this court directed Petitioner to file his second amended petition by March 3, 2020. Petitioner's counsel apologizes for "missing" this directive. Given that the parties have presented this court with a motion for discovery and an evidentiary hearing (ECF no. 94) that is currently awaiting final briefing, no party will be prejudiced by allowing Petitioner additional time to file his second amended petition.

Petitioner's motion for extension of time to file his second amended petition is **GRANTED**. On or before March 30, 2020, Petitioner shall file his second amended petition, which shall comply in all respects with the provisions of this court's Order of December 20, 2019. Petitioner shall include in his second amended petition all facts and legal arguments supporting the claims for federal habeas corpus relief that he wishes to present to this court.

**SIGNED March 24, 2020.**
